

Easement

I/We _____
(name of owner/owners)

the owner(s) of the property described in _____,
(deed record or instrument number of subject property)

located at _____,
(property address)

do hereby grant an easement for the purpose of but not limited to installing, maintaining, servicing and inspecting a water service.

I/We agree to grant this easement until such time as water service is no longer required at this property. The easement shall be 7.5 feet on either side of the line and or meter as it lays upon said property. This easement will run congruent with the property until said water service is no longer required and it shall transfer with the property if said property is sold.

I/We agree to these terms and do so voluntarily.
