

B&B Water Project, Inc
Application for Water **Class II**

Name: _____ Phone: _____

Address: _____

Location of new service: _____

Class II: Application for Water Service:

New hook-on required. No problem with pressure or flow. \$100.00 membership fee, \$575.00 installation fee, easements.

Collect \$675.00 upon application

1. B&B Water Project, Inc will provide a minimum 35 psi water pressure at the water meter.
2. Member is responsible for service line from meter pit to their building(s).
3. Member is responsible for all easements to support installation of water lines. Upon request, copies of easements will be provided to B&B Water Project, Inc.

_____ I request installation of water service at the above location. I understand the application is Class II and submit my check in the amount of \$675.00.

I also agree to easement right-of way along with the right of ingress and egress to property for construction and maintenance for the contractor of B&B Water project, Inc.

Clark Excavating and Underground Utilities LLC:

Clark Excavating and Underground Utilities LLC is under contract to perform numerous duties for B&B Water Project, Inc including water main extensions, meter pit installations and water meter installations. There are no exceptions. Upon Board approval, the water meter will be installed close to the water main and generally within 20 feet or less of the main by Clark Excavating and Underground Utilities LLC.
