

B&B Water Project, Inc
Application for water **Class II**

Name: _____ Phone: _____

Address: _____

Location of new service: _____

Class II: Application for Water Service:

New hook-on required. No problem with pressure or flow. \$150.00 membership fee, \$3,205.00 installment fee. Member is required to grant B&B Water a water line easement to support installation of water lines.

Collect \$3,355.00 upon application

1. B&B water Project, Inc will provide a minimum 35psi water pressure at the water meter.
2. Member is responsible for service line from meter pit to their building.
3. Approved meters must be set within 12 months. All set meters are subject to a monthly bill.
If meter has not been set within 12 months, application fees will be refunded. Re-applications will be subject to water availability at that time.

_____ I request installation of water service at the above location. I understand the application is class II and submit my check in the amount of \$3,355.00. If the connection exceeds the allotted \$3,205.00 installment fee, I the member will be responsible for the actual cost amount.

I also agree to easement right-of-way along with the right of ingress and egress to property for construction and maintenance for the contractor of B&B water Project, Inc.

Bynum Fanyo Utilities, Inc.:

Bynum Fanyo Utilities, Inc., is under contract to perform numerous duties for B&B Water Project, Inc., including water main extensions, meter pit installations and water meter installations. There are no exceptions. Upon Board approval, the water meter will be installed close to the water main (generally within 20 feet or less of the main) by Bynum Fanyo Utilities.
