

B&B Water Project, Inc  
Application for Water **Class IV**

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_

Location of new service: \_\_\_\_\_

**Class IV:** Application for Water Service: Distribution mains do not extend to desired building site, IDEM approval required

Initial Fees: \$150 membership fee, \$3,205.00 installment fee, easement, Engineering feasibility study required to verify pressure & flow at proposed meter pit location. Fee of \$1,000.00 required (unapplied funds returned to applicant).

**Collect \$4,355.00 upon application**

When the application is approved the following applies:

1. Member is responsible for all costs associated with water main extension including, but not limited to:
  - a. Feasibility studies by the B&B Water Project engineer
  - b. IDEM Permit preparation and approval
    - i. A lengthy process that takes at least 30 days for approval and may require longer than 60 days for approval
    - ii. IDEM fee determined by length of line extension
  - c. Engineering main extension design fees
  - d. Stone depth field excavations and reports
  - e. Final cost of water main extension installation by Bynum Fanyo Utilities, Inc.
2. B&B water Project, Inc will provide a minimum 35psi water pressure at the water meter.
3. Member is responsible for service line from meter pit to their building.
4. Member is responsible for all easements to support installation of water lines. Upon request, copies of easement will be provided to B&B Water Project, Inc.
5. Approved meters must be set within 12 months. All set meters are subject to a monthly bill. If meter has not been set within 12 months, application fees (but not engineering fees) will be refunded. Re-applications will be subject to water availability at that time.

Board of Directors Meeting:

The water applicant may be invited, or may volunteer, to attend a Board of Directors meeting to discuss the application. The board meets the third Tuesday of each month at 6:00PM at the B&B water office conference room. Please be prepared to discuss the following:

- House address
- Description, site plan or sketch of site with street, drive and location of building
- Suggested location of meter pit

B&B Water Project, Inc  
Application for Water **Class IV Continued**

Bynum Fanyo Utilities, Inc.:

Bynum Fanyo Utilities, Inc., is under contract to perform numerous duties for B&B Water Project, Inc., including water main extensions, meter pit installations and water meter installations. There are no exceptions. Upon Board approval, the water meter will be installed close to the water main (generally within 20 feet or less of the main) by Bynum Fanyo Utilities, Inc.

\_\_\_\_\_ I request installation of water service at the above location. I understand the application is class IV in accordance with Page 1 of the Application. I submit my check in the amount of \$4,355.00. If the connection exceeds the allotted \$3,205.00 installment fee, I the member will be responsible for the actual cost amount.

I also agree to easement right-of-way along with the right of ingress and egress to property for construction and maintenance for the contractor of B&B water Project, Inc.
